

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gerald Berkowitz
DOCKET NO.: 16-28766.001-R-1
PARCEL NO.: 09-25-109-039-0000

The parties of record before the Property Tax Appeal Board are Gerald Berkowitz, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,524
IMPR.: \$20,476
TOTAL: \$26,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of frame and masonry construction with 1,408 square feet of living area. The dwelling has one and one-half baths, a one car garage, and a slab basement. The dwelling was constructed in 1949. The property has a 7,129 square foot site and is located in Park Ridge, Maine Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$240,000 as of January 1, 2016.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,000. The subject's assessment reflects a market value of \$260,000 or \$184.70 per square foot of living area, land included, when using the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance. In

support of its contention of the correct assessment, the board of review submitted four sale comparables.

In rebuttal, the appellant resubmitted the appraisal.

At hearing, the board of review analyst made a hearsay objection regarding the appraiser's absence from hearing. The appellant's appraiser was not present at hearing to testify as to his qualifications, identify his work, testify about the contents of the report and opinions or conclusions drawn from them, and be subject to cross-examination under oath. Therefore, the Board sustained the board of review's objection to the admission of the opinions and conclusions in the appraisal report as hearsay, and gives them no weight. *See Oak Lawn Trust & Savings Bank v. City of Palos Heights*, 115 Ill.App.3d 887, 450 N.E.2d 788 (1st Dist. 1983). However, the Board may consider the raw sales data submitted by the parties, including those contained in the appraisal report.

The board of review and the appellant reviewed and reaffirmed the evidence submitted. The board of review analyst testified that the board of review's sale comparables are similar in age, size, sale date, and location. The appellant distinguished the board of review's sale comparables based on number of bathrooms, amenities, and location. The appellant testified that there is a difference between a Park Ridge and a Des Plaines address.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's sale comparables #1, #3, and #5. These comparables are similar in location, age, condition and room count. These similar comparables sold for prices ranging from \$175.70 to \$217.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$184.70 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
