

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aferdita Efendija
DOCKET NO.: 16-28781.001-R-1
PARCEL NO.: 09-14-411-042-0000

The parties of record before the Property Tax Appeal Board are Aferdita Efendija, the appellant(s), by attorney Margaret E. Graham, of Dykema Gossett PLLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,882
IMPR.: \$29,250
TOTAL: \$34,132

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 39 year old, two-story, single-family dwelling of masonry construction with 1,950 square feet of living area. Features of the dwelling include five baths, a partial unfinished basement, and one and one-half car garage. The property has a 6,300 square foot site and is located in Niles, Maine Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. The appellant requested the subject's total assessment be reduced to \$29,500.

The board of review decision letter discloses the total assessment for the subject of \$38,468. The subject has a total improvement assessment of \$33,586 or \$17.22 per square foot of living area. The subject is classified as class 2-07 property under the Cook County Real Property Assessment

Classification Ordinance. The board of review did not submit any evidence and was held in default by the Board. The board of review filed a motion to vacate default which was denied by the Board in September 2019.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3, and #4. These comparables are similar in location, amenities, age, and size. These comparables had improvement assessments that ranged from \$14.13 to \$15.08 per square foot of living area. The subject's improvement assessment of \$17.22 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
