

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sophia Papadakis  
DOCKET NO.: 16-29064.001-R-1  
PARCEL NO.: 08-09-407-002-0000

The parties of record before the Property Tax Appeal Board are Sophia Papadakis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

|               |          |
|---------------|----------|
| <b>LAND:</b>  | \$ 4,812 |
| <b>IMPR.:</b> | \$19,332 |
| <b>TOTAL:</b> | \$24,144 |

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 46-year old, two-story, frame and masonry, single-family dwelling with 1,348 square feet of living area. Features of the home include: a partial basement, central air conditioning, and a two-car garage. The property has an 8,750 square foot site and is located in Elk Grove Township, Cook County. The subject is classified as a class 2-07, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales. They are improved with a frame and masonry, single-family dwelling. The improvements range in size from 1,700 to 1,966 square feet of living area and in assessment from \$16.74 to \$17.79 per square foot.

They sold from October, 2014 through October, 2016 for unadjusted prices that ranged from \$153.61 to \$179.41 per square foot of living area.

Further, the appellant submitted copies of descriptive data printouts from the Cook County Assessor's website.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,472. The subject's assessment reflects a market value of \$274,720 or \$203.80 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables. They are improved with a two-story, single-family dwelling of frame and masonry exterior construction. The improvements ranged: in age from 45 to 46 years; in size from 1,491 to 1,642 square feet; and in assessment from \$16.85 to \$18.00 per square foot.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appellant's comparable sales*. These comparables sold for unadjusted prices ranging from \$153.61 to \$179.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$203.80 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after making adjustments to the sales for pertinent factors, the Board finds a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
