

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Colletti  
DOCKET NO.: 16-30052.001-R-1 through 16-30052.003-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Kathleen Colletti, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
16-30052.001-R-1	09-35-327-025-0000	2,970	10,131	\$13,101
16-30052.002-R-1	09-35-327-026-0000	2,970	10,102	\$13,072
16-30052.003-R-1	09-35-327-027-0000	2,970	10,102	\$13,072

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 1,926 square feet of living area. The dwelling is approximately 62 years old. Features of the home include a full unfinished basement, central air conditioning and a two-car garage. The property has a 3,300 square foot site located on three separate parcels in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property. The comparables are improved with similar class code dwellings of frame or frame and masonry exterior construction ranging in size from

2,014 to 2,392 square feet of living area. The comparables range in age from 61 to 91 years old. One comparable has a full unfinished basement, one comparable has a partial unfinished basement and one comparable has a concrete slab foundation. One comparable has central air conditioning and two comparables have a fireplace. The comparables have a two-car or 2.5-car garage. The comparables have improvement assessments ranging from \$28,800 to \$31,237 or \$12.04 and \$14.47 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$20,369 or \$10.58 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,245. The subject property has an improvement assessment of \$30,335 or \$15.76 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with one-story or 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,812 to 1,936 square feet of living area. Each comparable is 64 years old. Two comparables have a full basement with one comparable having a finished area, one comparable has a partial unfinished basement, and one comparable has a concrete slab foundation. Each comparable has central air conditioning and a one-car or two-car garage. Two comparables have a fireplace and one comparable has two fireplaces. The comparables have improvement assessments ranging from \$29,810 to \$36,957 or from \$16.41 to \$19.94 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives more weight to the appellant's comparable #2 and the board of review's comparables #2 and #3 as these were most similar to the subject property in location, design, exterior construction, age, dwelling size and most features. These comparables have improvement assessments ranging from \$31,237 to \$36,957 or from \$14.47 to \$19.94 per square foot of living area. The subject's improvement assessment of \$30,335 or \$15.76 per square foot of living area is supported by the best comparables in this record. The Board gave less weight to the appellant's comparables #1 and #2 and the board of review comparables #1 and #4 due to differences in exterior construction and features when compared to the subject property. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
