

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jac Financial
DOCKET NO.: 16-30180.001-R-1
PARCEL NO.: 31-04-210-004-0000

The parties of record before the Property Tax Appeal Board are Jac Financial, the appellant(s), by attorney Ronald Justin, of the Law Offices of Ronald Justin in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,283
IMPR.: \$7,739
TOTAL: \$14,022

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a nine year-old, two-story, single family dwelling of frame and masonry construction containing 2,460 square feet of living area. The property has a 15,709 square foot site in Country Club Hills, Rich Township, Cook County. It is a Class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested comparable sales which sold from March 2015 to December 2015 for prices ranging from \$100,000 to \$125,000. The appellant requested a total assessment reduction to \$11,666.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,082. The subject's assessment reflects a market value of

\$170,820 or \$69.44 per square foot of living area, land included, when using the 2065 level of assessment for class properties of 10% as determined by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables. These comparables sold for prices ranging from \$36.66 to \$57.26 per square foot of living area, including land. The subject's assessment reflects a market value of \$69.44 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
