

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joanna Sojko
DOCKET NO.: 16-30181.001-R-1
PARCEL NO.: 09-24-312-035-0000

The parties of record before the Property Tax Appeal Board are Joanna Sojko, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,209
IMPR.: \$18,776
TOTAL: \$22,985

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction with 1,026 square feet of living area. The dwelling was constructed in 1953 and is located in Niles, Maine Township, Cook County. The property is a class 2-03 per the Cook County Real Property Classification Ordinance.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted two sale comparables which sold in January 2015 and May 2015 for \$176,500 and \$199,500 or \$158.58 and \$191.83 per square foot of living area, including land. In support, the Cook County Assessor printouts were submitted for each of the sale comparables.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,985. The subject's assessment reflects a market value of \$229,850 or \$224.02 per square foot of living area, land included, when using the 2016 level of assessment for class 2-03 properties of 10% as determined by the Cook County Real Property Classification Ordinance. The subject property has an improvement assessment of \$18,776 or \$18.30 per square foot of living area

In support of its contention of the correct assessment, the board of review submitted four equity comparables.

In rebuttal, the appellant submitted five additional equity comparables. The Official Rules of the Property Tax Appeal Board prohibit the submission of new evidence as rebuttal and, therefore, the equity comparables cannot be considered by the Board. 86 Ill.Admin.Code 1910.66.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to submit three comparables. The appellant submitted two sale comparables. The appellant's two sale comparables do not constitute a range. Therefore, the Board finds the appellant failed to meet his burden and reduction is not warranted.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables had improvement assessments that ranged from \$19.65 to \$21.14 per square foot of living area. The comparables are similar in construction, location, size, and age. The subject's improvement assessment of \$18.30 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
