

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Ginat  
DOCKET NO.: 16-30407.001-R-1  
PARCEL NO.: 20-11-402-028-0000

The parties of record before the Property Tax Appeal Board are Daniel Ginat, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,862  
**IMPR.:** \$46,638  
**TOTAL:** \$71,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7,534 square foot parcel of land improved with a 117-year old, two-story, stucco, single-family dwelling containing 3,370 square feet of building area. The property is located in Chicago, Hyde Park Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement which disclosed that the subject was purchased on July 12, 2013 for \$715,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$89,195 which reflects a market value of \$891,950 or \$264.67 per square foot of

building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables. These properties are described as two-story, frame or masonry, single-family dwellings. They range: in age from 109 to 132 years; in size from 3,225 to 3,548 square feet of building area; in sale dates from May 2013 to July 2016; and in sale prices from \$279.59 to \$486.19 per square foot of building area. The board of review's evidence lists the sale of the subject in July 2013 for \$715,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in July for a price of \$715,000. The appellant disclosed of the sale of the subject while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review listed the sale of the subject in its evidence. Based on this record the Board finds the subject property had a market value of \$715,000 as of the lien date and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
