

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: L.J. Jensen, LLC  
DOCKET NO.: 16-30519.001-C-1  
PARCEL NO.: 08-26-100-042-1005

The parties of record before the Property Tax Appeal Board are L.J. Jensen, LLC, the appellant(s), by attorney David C. Dunkin, of Saul Ewing Arnstein & Lehr LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,742  
**IMPR.:** \$ 7,488  
**TOTAL:** \$ 12,230

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a commercial condominium unit with a 7.659% ownership interest in the common elements. The property is located in Elk Grove Village, Elk Grove Township, Cook County. The subject is classified as a class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant argued that five units in the subject's condominium association, or 37.341% of ownership, sold from February 2014 to June 2015 for an aggregate price of \$238,500. The aggregate sales price was then divided by the percentage of interest of the units sold to arrive at a total market value for the building of \$638,708. Based on this evidence, the appellant requested that the subject's assessments be reduced to \$12,230.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,512. The subject's assessment reflects a market value of \$94,048 when applying the 2016 statutory level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25.00%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service. These comparables sold between June 2012 and June 2016 for \$150,000 to \$510,000, or \$134.62 to \$255.00 per square foot of building area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant comparables #1, #2, #3, #4, and #5. The Board will take the sum of the sale prices of the most similar sales, divide by the total percentage of ownership of the units sold, and multiply the result by the subject's percentage of ownership. The subject's current assessment is above the assessment reflected by these comparable sales. Therefore, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and a reduction in the subject's assessment is warranted. Since market value has been determined, the 2016 statutory level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
