

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arunachalam Kannan  
DOCKET NO.: 16-30740.001-R-1  
PARCEL NO.: 08-23-201-049-0000

The parties of record before the Property Tax Appeal Board are Arunachalam Kannan, the appellant(s), by attorney Herbert B. Rosenberg, of Schoenberg Finkel Newman & Rosenberg LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,314  
**IMPR.:** \$25,000  
**TOTAL:** \$27,314

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 39 year-old, multi-family, two-story dwelling of masonry construction containing 4,050 square feet of living area. Features of the subject include a full finished basement containing an apartment. The subject property is part of a 33-residential building development known as Oak Terrace Building Association (Association). The property has a 2,572 square foot site in Mount Prospect, Elk Grove Township, Cook County. The evidence did not disclose whether the subject was owner-occupied in the lien year. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on 12 suggested equity comparable properties.

The appellant appended a brief in which he argued the suggested comparable properties should be selected from properties outside the Association because each of the residential units in the Association received the same assessment.

On September 10, 2019, the Board entered an Order to deny the board of review's Motion to Vacate Default for failing to timely submit its Notes on Appeal and supporting evidence.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1, #2 and #3. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$5.93 to \$5.95 per square foot of living area. The subject's improvement assessment of \$10.04 per square foot of living area falls above the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
