

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Solano  
DOCKET NO.: 16-31005.001-R-1  
PARCEL NO.: 26-17-124-062-0000

The parties of record before the Property Tax Appeal Board are Jose Solano, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,415  
**IMPR.:** \$2,585  
**TOTAL:** \$5,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry construction that is 73 years old. The dwelling contains 781 square feet of living area and is situated on a 4,025 square foot site. The property is located in Hyde Park Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted evidence listing the Seller as The Heirs at Law and Devisees of the Estate of Robert H. Meingasner, Deceased and the Purchaser as Jose Solano. The appellant's evidence indicates the subject property sold pursuant to an estate sale on June 15, 2016 for \$50,000, or \$64.02 per square foot, including land. The property was advertised for sale and a real estate

broker was involved in the transaction. Based on this evidence, the appellant requested an assessment reduction to \$5,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,821. The subject's assessment reflects a market value of \$98,210, or \$125.75 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, all of which reflected equity data. Based on this evidence, the board requested confirmation of the subject's assessment.

In written rebuttal, the appellant indicated that the board of review did not address the appellant's purchase argument.

At hearing, both parties rested on their written submissions.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$50,000. The appellant submitted evidence indicating the property was advertised for sale, with a real estate broker involved in the transaction. Additionally, there was no evidence from either party that indicated the sale was a short sale or a foreclosure. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
