

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joon Seung Oh
DOCKET NO.: 16-31046.001-R-1
PARCEL NO.: 03-06-401-008-0000

The parties of record before the Property Tax Appeal Board are Joon Seung Oh, the appellant(s), by attorney Joseph An, of The Law Office of Joseph Associated, LLC in Arlington Heights; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,792
IMPR.: \$26,670
TOTAL: \$30,462

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,766 square feet of living area. The dwelling is 27 years old. The property has a 7,223 square foot site and is located in Wheeling Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted information on three equity comparables. The comparables ranged in improvement assessment per square foot from \$15.14 to \$19.12.

In support of the overvaluation argument the appellant submitted evidence disclosing the subject property was purchased pursuant to a foreclosure on July 15, 2015 for a price of \$260,000, or \$147.23 per square foot, including land. The property was sold using a Realtor and the parties to

the transaction were unrelated. The appellant's sale evidence consisted of printouts from the Multiple Listing Service "MLS"). In further support of this argument the appellant submitted information on three sale comparables. These comparables sold between June 2016 and September 2016 for prices ranging from \$153.28 to \$235.29 per square foot, including land. Based on this evidence, the appellant requested an assessment increase in the subject's assessment to \$35,509.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$30,462. The subject property has an improvement assessment of \$26,670, or \$15.10 per square foot of living area. The subject's assessment reflects a market value of \$304,620, or \$172.49 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. They ranged in improvement assessment per square foot from \$15.41 to \$17.86. The sale of the subject in November 2007 for \$135,000 was also reflected on the grid sheet.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3, as well as the board of review's comparables #1 through #4. These comparables had improvement assessments that ranged from \$15.41 to \$17.86 per square foot of living area. The subject's assessment of \$15.10 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is not justified on this basis.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject in July 2015 for \$260,000 was a "compulsory sale" through the documentation submitted by the appellant. A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Additionally, real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a foreclosure, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. See 35 ILCS 200/16-183 ("The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer."). Such evidence can include the descriptive and sales information for recently sold properties that are similar to the subject. See Id. The Board finds the best evidence of market value to be the appellant's sale comparable(s) #1 through #3. They were located in the same subdivision as the subject property and sold on dates proximate in time to the January 1, 2016 valuation date. These comparables sold for prices ranging from \$153.28 to \$235.29 per square foot of living area, including land. The appellant's sale price reflects a market value of \$147.23 per square foot of living area, including land, which is below the range established by the best comparables in this record. Additionally, the subject's current assessment reflects a market value of \$172.49 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
