

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Bonaguro
DOCKET NO.: 16-31047.001-R-1
PARCEL NO.: 31-02-201-017-0000

The parties of record before the Property Tax Appeal Board are John Bonaguro, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,489
IMPR.: \$4,203
TOTAL: \$7,692

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction with 1,064 square feet of living area. The dwelling was constructed in 1938. The property has a 34,891 square foot site and is located in Homewood, Rich Township, Cook County.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted four sale comparables which sold from September 2016 to November 2016 for prices ranging from \$22,800 to \$42,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,692. The subject's assessment reflects a market value of \$76,920 or \$72.30 per square foot of living area, land included, when using the 2016 level of assessment

for class 2-03 properties of 10% as determined by the Cook County Real Property Classification Code.

In support of its contention of the correct assessment, the board of review submitted four sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's sale comparables #1 and #2 and the board of review's comparables #2 and #3. These similar comparables sold for prices ranging from \$28.07 to \$86.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$72.29 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
