

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Romualdo Camarena
DOCKET NO.: 16-31751.001-R-1
PARCEL NO.: 16-25-105-031-0000

The parties of record before the Property Tax Appeal Board are Romualdo Camarena, the appellant(s), by attorney Alan D. Skidelsky, of Skidelsky & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,255
IMPR.: \$33,947
TOTAL: \$37,202

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a two-story, mixed-use building of masonry construction with 1,200 square feet of building area. Improvement #2 is two-story building of masonry construction with 3,616 square feet of building area. The property is located in West Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant did not indicate whether the subject is owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal" in support of the subject's assessment. The total assessment for the subject of \$37,202. Improvement #1 has an

improvement assessment of \$11,060 or \$9.22 per square foot of building area. Improvement #2 has an improvement assessment of \$27,887 or \$6.33 per square foot of building area. The board of review submitted for comparable properties for each of the subject buildings.

In written rebuttal, the appellant waived the hearing request and submitted a copy of the subject's 2015 Property Tax Appeal Board decision, docket 15-32324.001-R-1.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the board of review's comparable properties #1, #2, #3 and #4. These comparables had improvement assessments that ranged from \$9.24 to \$11.65 per square foot of building area. Improvement #1's improvement assessment of \$9.22 per square foot of building area falls below the range established by the best comparables in this record. The Board finds the best evidence of assessment equity for Improvement #2 to be the board of review's comparable properties #1, #2, #3, and #4. These comparables had improvement assessments that ranged from \$6.34 to \$8.13 per square foot of building area. Improvement #2's improvement assessment of \$6.33 per square foot of building area falls below the range established by the best comparables in the record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements are inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
