

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Plonis  
DOCKET NO.: 16-31787.001-R-1  
PARCEL NO.: 30-08-410-048-0000

The parties of record before the Property Tax Appeal Board are Ron Plonis, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,874  
**IMPR.:** \$41,795  
**TOTAL:** \$44,669

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7,187 square foot parcel of land improved with a 93-year old, two-story, masonry, multi-family dwelling containing 8,490 square feet of building area. The property is located in Thornton Township, Cook County and is classified as a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends over valuation as the basis of the appeal. In support of the market value argument, the appellant submitted four comparables. These properties are described as three-story, multi-family dwellings. They are 43 and 47 years old with two comparables' ages unknown and range in size from 9,882 to 12,150 square feet of building area. The properties sold from March 2013 to October 2016 for prices ranging from \$25.71 to \$39.97 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$44,669. This assessment reflects a market value of \$446,690 or \$52.61 per square foot of building area when using the level of assessment for class 3 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment, the board of review submitted nine sales comparables. These properties are described as two or three-story, masonry, multi-family dwellings. They range in age from 45 to 86 years with two comparables' ages unknown and contain between 5,509 and 10,400 square feet of building area. These properties sold from May 2014 to November 2016 for prices ranging from \$55.21 to \$85.06 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #4. They sold from February 2014 to November 2016 for prices ranging from \$25.71 to \$85.06 per square foot of building area. The subject's assessment reflects a market value of \$52.61 per square foot of building area which is within the range of the best comparables in the record. The Board gave diminished weight to the remaining comparables due to differences in size, purchase date, and/or location. Based on the record and after adjustments to the comparables for differences for pertinent factors, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
