

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Collins
DOCKET NO.: 16-32696.001-R-1
PARCEL NO.: 04-23-104-017-0000

The parties of record before the Property Tax Appeal Board are Joseph Collins, the appellant, by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,860
IMPR.: \$55,679
TOTAL: \$59,539

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 17-year old, two-story, single-family dwelling of frame and masonry construction with 2,032 square feet of living area. Features of the townhome include: central air conditioning, two full and one half-bath, one fireplace, and a two-car garage. The property has a 3,677 square foot site and is located in Northfield Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. They are improved with an 18-year old, two-story, frame and masonry, single-family dwelling. The improvements

contained 1,930 square feet of living area with an improvement assessment of \$23.71 per square foot, each.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject townhome of \$59,539. The subject property has an improvement assessment of \$55,679 or \$27.40 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, all of which are located either on the same block as is the subject or within the subject's subarea. They are improved with a two-story, single-family dwelling of frame and masonry construction containing 2,032 square feet of living area. The improvements ranged in age from 17 to 18 years and each contained an improvement assessment of \$27.40 per square foot. Amenities include: two full and one-half baths, central air conditioning, one fireplace, and a two-car garage.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be the *board of review's comparables #1 through #4*. Each of these four comparables had improvement assessments at \$27.40 per square foot of living area. The subject's improvement assessment of \$27.40 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
