

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kelli Bentley
DOCKET NO.: 16-32913.001-R-1
PARCEL NO.: 31-01-118-006-0000

The parties of record before the Property Tax Appeal Board are Kelli Bentley, the appellant(s), by attorney Robert G. Kaucky, of Robert G. Kaucky & Associates in Berwyn; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,323
IMPR.: \$12,480
TOTAL: \$17,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12,526 square foot parcel of land improved with a 13-year old, two-story, frame and masonry, single-family dwelling containing 2,496 square feet of building area. The property is located in Rich Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three sales comparables. These comparables are described as two-story, frame or frame and masonry, single-family dwellings. The properties are located within one and one-half miles of the subject. They range in age from 31 to 49 years and in size from 2,090 to 3,096 square feet of building area. The properties sold January to October 2016 for prices ranging from \$40.19 to \$51.00 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$17,803. This assessment reflects a market value of \$178,030 or \$71.33 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted four sales comparables. These properties are described as two-story, frame or frame and masonry, single-family dwellings located within one-quarter mile of the subject. They range in age from 25 to 30 years and in size from 2,086 to 2,834 square feet of building area. They sold from May 2013 to May 2016 for prices ranging from \$80.10 to \$95.44 per square foot of building area.

At hearing, the appellant's attorney argued the appellant's comparables are all two-story dwellings. The board of review's representatives argued that the board of review's comparables are similar in square footage and location to the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables #2, #3, and #4. They sold from February 2015 to May 2016 for prices ranging from \$44.71 to \$92.47 per square foot of building area. The subject's assessment reflects a market value of \$71.33 per square foot of building area which is within the range of the best comparables in the record. Based on the record and after adjustments to the comparables for differences for pertinent factors, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
