

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Fischer
DOCKET NO.: 16-33022.001-R-1
PARCEL NO.: 30-31-311-015-1026

The parties of record before the Property Tax Appeal Board are Chris Fischer, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$692
IMPR.: \$2,017
TOTAL: \$2,709

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within a 52-unit condominium complex. The property is located in Thornton Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted sales information on 12 condominium units located within the subject's complex. These units sold from January 2013 to September 2016 for prices ranging from \$5,000 to \$31,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$2,709. This assessment reflects a market value of \$27,090 when using the

level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment, the board of review submitted sales information on 15 condominium units located within the subject's complex. These units sold from September 2007 to November 2016 for prices ranging from \$10,500 to \$80,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be appellant's comparables #1, #2, #4 through #10 and #12 and the board of review's comparables #1 through #6, #9 through #15. These properties sold from April 2014 to November 2016 for prices ranging from \$10,500 to \$31,000. In comparison, the subject's assessment reflects a market value of \$27,090 which is within the range of the best comparables in the record. The Board finds the appellant failed to show by a preponderance of the evidence that the subject property was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
