

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Zaimes
DOCKET NO.: 16-33137.001-R-1
PARCEL NO.: 27-16-210-034-1001

The parties of record before the Property Tax Appeal Board are Michael Zaimes, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 962
IMPR.: \$ 5,978
TOTAL: \$ 6,940

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a condominium unit with a 15.8030% ownership interest in the common elements. The property is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner occupied..

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 8, 2015 for a price of \$69,400. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,591. The subject's assessment reflects a market value of \$75,910 when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of the subject's assessment, the board of review submitted a memorandum, which shows that one unit in the subject's building, plus the sale of the subject in May 2015, or 32.6424% of ownership, sold in September 2012 for \$89,000. This sale price, plus the sale price of the subject, were then added together, and then divided by the percentage of interest of the units sold to arrive at a total market value for the building of \$485,258. The subject's percentage of interest was the utilized to arrive at a market value for the subject of \$76,685.

In rebuttal, the appellant argues that the board of review's evidence should be given no weight because it was not responsive to the appellant's request for relief based on a recent sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the undisputed purchase of the subject property in May 2015 for a price of \$69,400. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, that the property was sold using a real estate broker, and that it was advertised for sale on the open market with a listing on the MLS for approximately 76 days. In further support of the transaction, the appellant submitted the printout from the MLS and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$69,400 as of January 1, 2016. Since market value has been determined the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
