The parties of record before the Property Tax Appeal Board are Gail Didier, the appellant(s), by attorney Chris D. Sarris, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

16-33408.002-R-1	09-23-312-016-0000	6,064	0	\$6,064

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land totaling 12,103 square feet parcel of land and improved with a 48-year old, one-story, masonry, single-family dwellings containing 2,372 square feet of building area. The property is located in Park Ridge, Maine Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted three comparables. The properties are described as one or two-story, masonry and frame, single-family buildings. They range in age from 49 to 52 years and in size from 2,204 to 2,495 square feet of building area. They sold from August 2014 to October 2016 for prices ranging from \$145.65 to \$171.98 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$45,589. The total assessment reflects a market value of \$455,890 or \$192.20 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted four comparables. These properties are described as one or one and one-half story, masonry or frame and masonry, single-family buildings. They range in age from 43 to 90 and in size from 2,083 to 2,725 square feet of building area. They sold from November 2014 to June 2016 for prices ranging from \$199.63 to \$234.27 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The parties submitted a total of seven comparables in support of the subject's market value. The Board finds the best comparables are the appellant's comparable #1 and the board of review's comparables #1, #3, and #4. They sold from January 2014 to June 2016 for prices ranging from \$156.53 to \$234.27 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$182.20 per square foot of building area which is within the purchase prices of the comparables in the record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
