

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Samuel Dotzler
DOCKET NO.: 16-33548.001-R-1
PARCEL NO.: 04-24-201-048-0000

The parties of record before the Property Tax Appeal Board are Samuel Dotzler, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,629
IMPR.: \$47,671
TOTAL: \$58,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,888 square foot parcel of land improved with an 81-year old, two-story, masonry, single-family dwelling containing 3,019 square feet of building area. The property is located in Northfield, Northfield Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, the appellant submitted information on the petition and a copy of the warranty which disclosed that the subject was purchased in August 2014 for \$583,000.

In support of the equity argument, the appellant submitted five comparables. The properties are described as one and one-half or two-story, masonry or frame and masonry, single-family dwellings. They range: in age from 63 to 102 years; in size from 2,864 to 3,131 square feet of

building area; and in improvement assessment from \$11.43 to \$16.50 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$61,650 which reflects a market value of \$616,500 or \$204.21 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four equity comparables with sales information on one property. These properties are described as two-story, frame or masonry, single-family dwellings. They range: in age from 65 to 87 years; in size from 2,624 to 3,585 square feet of building area; and in improvement assessment from \$17.00 to \$19.89 per square foot of building area. Comparables #2 July 2013 for prices \$219.13 per square foot of building area. The board of review also listed the sale of the subject in August 2014 for \$583,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2014 for a price of \$583,000. The appellant disclosed of the sale of the subject while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$583,000 as of the lien date and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
