

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William G Hartwig
DOCKET NO.: 16-33589.001-R-1
PARCEL NO.: 09-33-405-001-0000

The parties of record before the Property Tax Appeal Board are William G Hartwig, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,671
IMPR.: \$20,496
TOTAL: \$26,167

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains two residential improvements situated on one parcel. Improvement #1 is a 63-year-old, 1.5 story dwelling of frame construction containing 1,272 square feet of living area. Improvement #2 is a 63-year-old, 1.5 story dwelling of frame construction containing 571 square feet of living area. The property has a 10,312 square foot site located in Maine Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparables only for Improvement #1. The appellant did not submit information on Improvement #2. However, the appellant also listed the total for both improvement assessments when calculating the

improvement assessment per square foot of Improvement #1. The appellant requested a total assessment reduction to \$19,850.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,167. Improvement #1 has an improvement assessment of \$14,347, or \$11.28 per square foot of living area. Improvement #2 has an improvement assessment of \$6,149, or \$10.77 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables for Improvement #1, and four suggested equity comparables for Improvement #2.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of Improvement #1 assessment equity to be the appellant's comparable(s) #1 and #3, and the board of review's comparable(s) #2, #3, and #4. These comparables had improvement assessments that ranged from \$10.91 to \$14.83 per square foot of living area. The assessment for Improvement #1 of \$11.28 per square foot of living area falls *within* the range established by the best comparables in this record. The Board finds the best evidence of Improvement #2 assessment equity to be the board of review's comparables #1, #3, and #4. These comparables had improvement assessments that ranged from \$17.28 to \$21.84 per square foot of living area. The assessment for Improvement #2 of \$10.77 per square foot of living area falls *below* the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
