

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Wilson
DOCKET NO.: 16-33615.001-R-1
PARCEL NO.: 04-16-202-036-0000

The parties of record before the Property Tax Appeal Board are Halina Wilson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,094
IMPR.: \$72,906
TOTAL: \$90,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of masonry construction with 5,200 square feet of living area. The dwelling was constructed in 2009. The property has a 18,480 square foot site and is located in Northbrook, Northfield Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on ten equity comparables.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$900,000 as of January 1, 2016. In addition, the appellant submitted information on six sale comparables and four listings.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,664. The subject property has an improvement assessment of \$108,570 or \$20.88 per square foot of living area. The subject's assessment reflects a market value of \$1,256,640 or \$241.66 per square foot of living area, land included, when using the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

In written rebuttal, the appellant distinguished the board of review's comparables #1 and #2 based on size, amenities, and location. The appellant also submitted photographs of the board of review's comparables #1 and #2.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's appraisal. The subject's assessment reflects a market value of \$1,256,640 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$900,000 as of the assessment date at issue. Since market value has been established the 2016 level of assessments for Cook County of 10% as determined by the Cook County Real Property Classification Ordinance shall apply. Since a reduction was granted per the appellant's market value argument, the subject is now equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
