

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eric Otto
DOCKET NO.: 16-34048.001-R-1
PARCEL NO.: 04-24-407-037-0000

The parties of record before the Property Tax Appeal Board are Eric Otto, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,190
IMPR.: \$78,750
TOTAL: \$92,940

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,200 square foot parcel of land improved with a 16-year old, one and one-half story, frame and masonry, single-family dwelling containing 3,750 square feet of building area. The property is located in Northfield, Northfield Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted five comparables. The properties are described as one or one and one-half story, masonry or frame and masonry, single-family dwellings. They range: in age from nine to 67 years; in size from 3,123 to 3,737 square feet of building area; and in improvement assessment from \$18.06 to \$19.50 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" for a different parcel. The subject has a total assessment of \$96,151 with an improvement assessment of \$81,961 or \$21.86 per square foot of building area.

In support of the assessment the board of review submitted evidence for a different property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments ranging from \$18.06 to \$19.50 per square foot of building area. The Board finds that four of these properties differ significantly in age and should be assessed lower than the subject to account for this. Comparable #3, which is nine-years old, has an assessment of \$19.50 per square foot of building area. The subject's improvement assessment of \$21.86 per square foot of building area is above the range of the comparables in this record. However, the Board finds that based on the age of the subject, the subject should be assessed at a higher value. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
