

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eastgate Holdings, LLC
DOCKET NO.: 16-34065.001-R-1
PARCEL NO.: 17-10-132-037-1675

The parties of record before the Property Tax Appeal Board are Eastgate Holdings, LLC, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,416
IMPR.: \$66,884
TOTAL: \$71,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium and parking units within a 39-year old, high-rise, 678-unit condominium complex. The property is located in Chicago, North Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the settlement statement disclosing that the subject was purchased on September 17, 2014 for \$713,000. The appellant then applies an incorrect median level of assessment to arrive at a requested assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment for one parcel. The subject's total assessment is \$119,083 which reflects a market value of \$1,190,830 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted a grid listing all the units within the subject's complex and information on 103 sales of units within the subject's complex. These units sold from February 2013 to November 2015 for sales totaling \$28,759,515. The board of review applied a 10% adjustment factor for an adjusted sale amount of \$25,883,625. The board of review then applies the percentage of ownership of these sales of 16.5931% to arrive at a total value of the building of \$155,599,453. The board of review also listed the sale of the subject in September 2014 for \$698,383.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2014 for a price of \$713,000. The appellant submitted evidence of the sale while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review listed a sale of the subject in September 2014 for a similar value. Based on this record the Board finds the subject property had a market value of \$713,000 as of the lien date and that a reduction in the subject's assessment is justified. The Board further finds the appellant submitted incorrect and unsupported median level of assessment evidence. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
