

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANTS: Kimberly and Jimmy Thompson
DOCKET NO.: 16-34304.001-R-1
PARCEL NO.: 06-08-400-010-0000

The parties of record before the Property Tax Appeal Board are Kimberly and Jimmy Thompson, the appellants; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,443
IMPR.: \$31,047
TOTAL: \$36,490

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied, two-story, single-family dwelling of masonry construction with 3,871 square feet of living area. The dwelling is 15 years old. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage. The property has a 54,434 square foot site and is located in Hanover Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing the subject property was purchased on November 21, 2014 for a price of \$364,900, or \$94.27 per square foot of living area, including land. Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect 10% of the purchase price. In further support of the subject's market value, the appellants submitted an appraisal that indicated the subject's market value was \$375,000 on October 21, 2014.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,024. The subject's assessment reflects a market value of \$480,240 or \$124.06 per square foot of living area, land included, when using the 2016 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's grid sheet confirms the sale of the subject in November 2014 for a price of \$364,900.

In written rebuttal, the appellants resubmitted the appraisal and settlement statement.

Conclusion of Law

The appellants the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in November 2014 for a price of \$364,900. The appellants provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellants completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 489 days. In further support of the transaction the appellants submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$364,900 as of January 1, 2016. Since market value has been determined the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
