

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ly Tran
DOCKET NO.: 16-34911.001-R-1
PARCEL NO.: 10-23-210-052-0000

The parties of record before the Property Tax Appeal Board are Ly Tran, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,073
IMPR.: \$30,691
TOTAL: \$35,764

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board ("PTAB") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 2,394 square feet of living area. The dwelling is 65 years old. Features of the home include a fireplace and a two-car garage. The property has a 6,150 square foot site and is located in Niles Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted a statement that argued the subject's assessment should be reduced. The appellant also submitted information on four equity comparables and a copy of the subject's 2001 PTAB appeal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,764. The subject property has an improvement assessment of

\$30,691 or \$12.82 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

In written rebuttal, the appellant differentiated the board of review's comparable properties from the subject property.

Conclusion of Law

The Board finds gives no weight to the appellant's submission of documents related to the subject's 2001 Property Tax Appeal Board appeal. Section 16-180 of the Property Tax Code (Rule Section 1910.50 of the Official Rules of the Property Tax Appeal Board) states in pertinent part, "All proceedings before the Property Tax Appeal Board shall be considered de novo meaning the Board will consider only the evidence, exhibits and briefs submitted to it, and will not give any weight or consideration to prior actions by a local board of review ..." Accordingly, the Board grants no weight to the documents regarding the subject's 2001 PTAB appeal and finds a reduction in the subject's assessment on this basis is not warranted.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #3 and all of the board of review's comparables. These comparables had improvement assessments that ranged from \$7.47 to \$14.42 per square foot of living area. The subject's improvement assessment of \$12.82 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
