

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Oancea
DOCKET NO.: 16-35250.001-R-1
PARCEL NO.: 15-21-101-154-0000

The parties of record before the Property Tax Appeal Board are Daniel Oancea, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,839
IMPR.: \$25,758
TOTAL: \$28,597

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction with 3,240 square feet of living area. The dwelling is 51 years old. The property has a 5,678 square foot site located in Proviso Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was sold for cash in settlement of a contract for deed in December 2012 for a price of \$182,500. The seller is JP Morgan Chase Bank and the buyer is the appellant. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$18,122.

The subject has an assessment of \$28,597. The subject's assessment reflects a market value of \$285,970 when using the 2015 level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In a letter dated July 18, 2019, the Property Tax Appeal Board found the board of review to be in default as the board did not submit evidence.

In written rebuttal, the appellant waived the hearing request.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in December 2012 for a price of \$182,500 is too distant in time from the lien date at issue to be an accurate indicator of the subject's market value on January 1, 2016. Accordingly, the Board finds the appellant has not proven by a preponderance of the evidence that the subject is overvalued and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
