

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yumpind Zheng /YP Construction
DOCKET NO.: 16-35432.001-R-1
PARCEL NO.: 16-23-325-010-0000

The parties of record before the Property Tax Appeal Board are Yumpind Zheng /YP Construction, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,101
IMPR.: \$3,148
TOTAL: \$7,249

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction that was built in 1890. The dwelling contains 2,788 square feet of living area and is situated on a 3,906 square foot site. The property is located in West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. The property is not owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sale information on eight sale comparables. These comparables sold between January 2015 and April 2016 for sale prices ranging from \$6.94 to \$26.14 per square foot of living area, including land.

The appellant also submitted sale evidence for the subject, listing the Seller as US Bank, N.A, and the Purchaser as YP Construction, Inc. The appellant's evidence indicates the subject property sold in October 2016 for \$19,109, or \$6.85 per square foot, including land. The property was "REO" bank-owned property and was sold "as is". It was advertised for sale. Based on this evidence, the appellant requested an assessment reduction to 10% of the purchase price.

The board of review result letter disclosed the total assessment for the subject of \$14,417. The subject's assessment reflects a market value of \$144,170, or \$51.71 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. The board of review did not submit any evidence in support of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable(s) #3, #4 and #7, as they are most similar to the subject based on a combination of factors including location, design and age. These comparables sold for prices ranging from \$17.20 to \$26.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$51.71 per square foot of living area, including land, which is above the range established by the best comparables in this record. The Board also finds that the appellant's REO purchase price of \$6.85 per square foot, including land, is below the range of the best sale comparables. Based on this record, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
