

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Zadina
DOCKET NO.: 16-35635.001-R-1
PARCEL NO.: 14-33-329-003-0000

The parties of record before the Property Tax Appeal Board are Robert Zadina, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,712
IMPR.: \$54,923
TOTAL: \$72,635

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,297 square feet of living area. The dwelling is approximately 137 years old. Features of the home include a partial unfinished basement, central air conditioning and a one-car garage. The property has a 1,968 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject. The comparables are improved with two-story or three-story dwellings of frame or masonry exterior construction containing either 2,770 or 3,048 square feet of living area. The comparables are either 64 or 127 years old. Two comparables

have full basements with finished areas and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces and a two-car garage. The comparables have improvement assessments that are either \$53,937 or \$56,675 and \$19.47 or \$18.59 per square foot of living area, respectively. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$44,056 or \$19.18 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,635. The subject property has an improvement assessment of \$54,923 or \$23.91 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. Two comparables are in the same block and two comparables are located within .25 of a mile of the subject. The comparables are improved with two-story or three-story dwellings of masonry, stucco or frame and masonry exterior construction ranging in size from 2,330 to 3,172 square feet of living area. The comparables range in age from 127 to 139 years old. Two comparables have full basements with one having finished area; two comparables have concrete slab foundations. Each comparable has central air conditioning. Two comparables have two fireplaces. Two comparables have a one-car or a two-car garage. The comparables have improvement assessments ranging from \$77,306 to \$114,674 or from \$29.45 to \$39.82 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave most weight to the board of review's comparables #1 and #2 as they are similar to the subject property in location, design, age, dwelling size, and features. The board of review's comparable #1 has an inferior concrete slab foundation in contrast to the subject's partial finished basement and would require an upward adjustment for foundation. These comparables have improvement assessments of \$77,306 and \$78,403 or \$29.45 and \$33.65 per square foot of living area, respectively. The subject's improvement assessment of \$54,923 or \$23.91 per square foot of living area is below the assessments of the best comparables in this record. Therefore, the Board finds the evidence in this record supports the subject's assessment. The Board gave less weight to the remaining comparables due to their larger dwelling sizes and/or varying differences in age, design and finished areas when compared to the subject. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
