

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Kaufmann
DOCKET NO.: 16-36360.001-R-1
PARCEL NO.: 10-18-303-016-0000

The parties of record before the Property Tax Appeal Board are Kathleen Kaufmann, the appellant, by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,060
IMPR.: \$21,416
TOTAL: \$25,476

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 76-year old, one and one-half story, single-family dwelling of frame exterior construction containing 1,405 square feet of living area. Features of the home include: one full and one-half baths, a partial basement, and a two and one-half car garage. The property has a 5,600 square foot site and is located in Niles Township, Cook County. The subject is classified as a class 2, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted data on four equity comparables. The properties are one-story or one and one-half story, single-family dwellings of frame or frame and masonry exterior

construction. The improvements ranged: in age from 60 to 70 years; in size from 1,249 to 1,673 square feet of living area; and in improvement assessment from \$11.07 to \$11.93 per square foot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,476. The subject property has an improvement assessment of \$21,416 or \$15.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted data on four equity comparables located either on the subject's block or within a two-block radius from the subject. The properties are improved with a 76-year old, one and one-half story, single-family dwelling with frame exterior construction. The improvements ranged in size from 1,092 to 1,521 square feet of living area; and in improvement assessment from \$16.60 to \$23.56 per square foot. In addition, the improvements included a full basement and garage area ranging from one-car to two and one-half cars.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to *be the board of review's comparables #1 through #4*. These comparables had improvement assessments that ranged from \$16.60 to \$23.56 per square foot of living area. The subject's improvement assessment of \$15.24 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
