

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Athanasopoulos
DOCKET NO.: 16-36520.001-R-1
PARCEL NO.: 13-33-417-023-0000

The parties of record before the Property Tax Appeal Board are James Athanasopoulos, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,284
IMPR.: \$12,212
TOTAL: \$16,496

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,284 square foot parcel of land improved with a 93-year old, two-story, masonry, multi-family dwelling containing 1,934 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted six comparables. These properties are described as two or three-story, frame or masonry, multi-family dwellings located within one mile of the subject. They range in age from 80 to 103 years and in size from 1,934 to 2,484 square feet of building area. They sold from April 2014 to May 2016 for prices ranging from \$30.99 to \$95.29 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$19,823. This assessment reflects a market value of \$198,230 or \$102.50 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted three sales comparables. These properties are described as two-story, masonry, multi-family dwellings. They range in age from 72 to 76 years and in size from 989 to 1,825 square feet of building area. They sold from June to October 2016 for prices ranging from \$84.93 to \$117.47 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of assessment market value to be the appellant's comparables #1 and #3 and the board of review's comparable #2. These comparables sold for prices ranging from \$65.15 to \$84.93 per square foot of building area. The remaining comparables were given diminished weight due to differences in design, size, and/or construction. The subject's assessment of reflects a market value of \$102.50 per square foot of building area is above the range of the best comparables in this record. Based on this record the Board finds the appellant did show by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
