

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

PELLANT: South Holland 2 Clearpoint Properties, LLC  
DOCKET NO.: 16-37453.001-R-1  
PARCEL NO.: 29-09-418-054-0000

The parties of record before the Property Tax Appeal Board are South Holland 2 Clearpoint Properties, LLC, the appellant(s), by attorney Joe Lee Huang, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,295  
**IMPR.:** \$4,031  
**TOTAL:** \$6,326

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story, single-family dwelling of masonry construction with 1,326 square feet of living area. The dwelling was constructed in 1924. The property has a 7,062 square foot site and is located in South Holland, Thornton Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on January 21, 2016 for \$38,125. The settlement statement states the seller was Federal Home Mortgage Corporation. This evidence included a copy of the settlement statement and Multiple Listing Sheet (MLS). The appellant also submitted four sale comparables that sold from June 2015 to August 2016 for prices ranging from \$18,000 to \$26,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$2,386.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,326. The subject's assessment reflects a market value of \$63,260 or \$47.71 per square foot of living area, including land, when applying the 2016 level of assessment for class 2-03 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review submitted four sale comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in January 2016 for \$38,125 is a "compulsory sale." The MLS sheet disclosed the subject was an REO sale. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The Board finds the board of review's comparables #2 and #4 and the appellant's comparable #3 set the range of market value for the subject. The comparables sold from April 2015 to August 2016 prices ranging from \$22.26 to \$116.59 per square foot of living area, including land. These comparables are similar in size, sale date, age, and location. The subject's assessment reflects a market value of \$47.71 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant did not submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

September 28, 2022

We received our decision letter on September 27, 2022 and respectfully request a RE-REVIEW based on three sale comparables. My initial appeal was based on income and expenses for the property.

The subject property is a three-story mixed use building that contains 3,199 square feet of gross building area. The subject includes two residential units and one commercial space. The subject is 126 years old and is situated on a 1,040 square foot lot. The subject property is located in the heart of the Chicago rioting which caused it to be boarded up from May 2020 to May 2021.

Due to Covid pandemic, it was very hard to find closed sales of mixed use buildings. The three sale comparables I have found closed from October 2020 to December 2021 for prices ranging from \$149.05 to \$223.33 per square foot of building area. The comparables are within one year of the tax year lien date, similar construction, location, mixed use, and age. The comparables are superior in condition to the subject. Attached please find the MLS printouts supporting each sale.

Based on the sale comparables, I respectfully request that the market value be reduced to \$476,651 or the total assessed value to \$47,666 per the range of the sale comparables which also supports the income and expenses of the property.

Respectfully submitted,

Marinis Loukas
