

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: GGC Ventures LLC
DOCKET NO.: 16-37461.001-C-1
PARCEL NO.: 16-04-131-025-0000

The parties of record before the Property Tax Appeal Board are GGC Ventures LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,672
IMPR.: \$ 10,828
TOTAL: \$ 18,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a three-story building of masonry construction with 8,220 square feet of building area. The building is 87 years old. The property has a 9,300 square foot site, and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 3-18 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 1, 2016 for a price of \$185,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$55,701. The subject's assessment reflects a market value of \$557,010, or \$67.76 per square foot of building area, including land, when applying the 2016 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service. These comparables sold between August 2012 and August 2016 for \$565,000 to \$1,750,000, or \$68.52 to \$125.00 per square foot of building area, including land.

In rebuttal, the appellant argues that the board of review's evidence should be given no weight because it is insufficient to support the subject's current assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June 2016 for a price of \$185,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction, including disclosing that the parties to the transaction were not related, that the property was sold using a real estate broker, and that it was advertised for sale on the open market with a listing on the MLS for approximately three days. In further support of the transaction, the appellant submitted the printout from the MLS, the warranty deed, and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$185,000 as of January 1, 2016. Since market value has been determined the 2016 statutory level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
