

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shaisav Thakkar
DOCKET NO.: 16-37600.001-R-1
PARCEL NO.: 06-26-361-004-0000

The parties of record before the Property Tax Appeal Board are Shaisav Thakkar, the appellant(s), by attorney Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,293
IMPR.: \$6,817
TOTAL: \$8,110

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of frame and masonry construction containing 1,426 square feet of living area. The dwelling was constructed in 1969. Features of the home include a full basement and central air conditioning. The property has a 1,232 square foot site and is located in Hanover Township, Cook County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on 10/15/2015 for a price of \$81,101. The appellant did not complete Section IV – Recent Sale Data of the appeal. The appellant submitted a copy of the settlement statement reflecting the unrelated parties, sale price, and that the parties were represented by real estate brokers. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price. There was no evidence that this property was owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's total assessment of \$14,406 was disclosed. The subject's assessment reflects a market value of \$144,060 or \$9.20 per square foot of living area, including land for a class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue.

In support of the assessment the board of review submitted information on two comparables improved with two-story dwellings of frame and masonry construction that have 1,131 square

feet of living area. The dwellings were constructed in 1969. Each has the same neighborhood code as the subject property. Features of the comparables include a full basement and central air conditioning. The comparables have sites of 1,320 square feet of land area.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2015 for a price of \$81,101. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. In further support of the transaction, the appellant submitted a copy of the settlement statement regarding this recent sale. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record, the Board finds the subject property had a market value of \$81,101 as of January 1, 2016. Since market value has been determined the 10% level of assessment as determined by the Cook County Classification Ordinance for class 2, residential property shall apply.

Since the Board determined that a reduction was merited based upon an overvaluation argument, the Board finds that the subject property is equitably assessed after this aforementioned reduction.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
