

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lori Jo Klemptner  
DOCKET NO.: 16-37676.001-R-1  
PARCEL NO.: 10-21-327-051-0000

The parties of record before the Property Tax Appeal Board are Lori Jo Klemptner, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,394  
**IMPR.:** \$20,606  
**TOTAL:** \$26,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of frame construction. The dwelling was constructed in 1941. The property has a 7,440 square foot site and is located in Morton Grove, Niles Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$260,000 as of January 1, 2016. The appraisal states the subject contains 1,887 square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,500. The subject's assessment reflects a market value of \$285,000, when using the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance. The board of review's evidence states that the subject contains 2,036 square feet of living area.

In support of its contention of the correct assessment, the board of review submitted four equity comparables.

In written rebuttal, the appellant resubmitted the appraisal dated January 1, 2016.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the subject contains 1,887 square feet of living area per the appraisal. The appraisal included a building sketch outlining the subject's rooms and dimensions. The board of review did not submit any evidence supporting the subject size of 2,036 square feet of living area.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$285,000, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$260,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
