

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Qaisar ABBAS
DOCKET NO.: 16-37718.001-R-1
PARCEL NO.: 10-15-308-058-0000

The parties of record before the Property Tax Appeal Board are Qaisar ABBAS, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,335
IMPR.: \$26,665
TOTAL: \$30,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction with 2,608 square feet of living area. The dwelling is 61 years old. Features include a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 4,600 square foot site located in Niles Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on February 13, 2015 for a price of \$300,000. The appellant requested a reduction in the subject's assessment to reflect 8.66% of the purchase price based on a 2014 sales ratio study.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,340. The subject's assessment reflects a market value of \$333,400 or \$127.84 per square foot of living area, land included, when using the 2016 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review confirmed the sale of the subject and submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2015 for a price of \$300,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the sale contract. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review confirmed the sale of the subject. The Board gave no weight to the appellant's sales ratio argument as it was based on a 2014 sales ratio and the year at issue is 2016. Based on this record the Board finds the subject property had a market value of \$300,000 as of January 1, 2016. Since market value has been determined the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
