

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Prashant Singri  
DOCKET NO.: 16-38183.001-C-1 through 16-38183.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Prashant Singri, the appellant(s), by attorney Jason T. Shilson, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
16-38183.001-C-1	07-14-200-074-1006	32,932	60,193	\$ 93,125
16-38183.002-C-1	07-14-200-074-1007	32,932	60,193	\$ 93,125

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of two commercial condominium units. The property is located in Schaumburg, Schaumburg Township, Cook County. The subject is classified as a class 5-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$745,000 as of January 1, 2016. The appellant also argued that the subject is partially vacant, and that this vacancy necessitates a further reduction in the subject's assessment. The appraisal states that the subject is partially vacant. The appellant's evidence states that the subject's current assessment is \$203,888. The subject's assessment reflects a market value of \$815,552 when applying the 2016 statutory level of assessment for class 5 property under the Cook County Real Property

Assessment Classification Ordinance of 25.00%. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$158,561.

The Board found the board of review to be in default, and, therefore, the board of review did not submit any evidence in support of the subject's current assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$745,000 as of the assessment date at issue. The Board further finds that a reduction based on vacancy is not warranted, as the appraiser considered the partial vacancy of the subject in the appraisal's analysis and when estimating the subject's market value. Thus, any effect on the subject's market value based on its partial vacancy was included in the appraiser's estimate of value for the subject. Since market value has been established the 2016 statutory level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
