

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Celeste Iverson
DOCKET NO.: 16-38191.001-R-1
PARCEL NO.: 10-20-402-039-0000

The parties of record before the Property Tax Appeal Board are Celeste Iverson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,230
IMPR.: \$9,934
TOTAL: \$15,164

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction with 900 square feet of living area. The dwelling was constructed in 1951. The property has a 7,214 square foot site and is located in Morton Grove, Niles Township, Cook County.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted five sale comparables which sold from February 2015 to December 2015 for prices ranging from \$130,000 to \$160,000. In support, the appellant submitted REDFIN printouts.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on seven equity comparables. In support, the appellant submitted Cook County Assessor printouts for each comparable.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,770. The subject's assessment reflects a market value of \$197,700 or \$219.67 per square foot of living area, land included, when using the 2016 level of assessment for class 2-02 properties of 10% as determined by the Cook County Real Property Classification Code. The subject property has an improvement assessment of \$14,747 or \$16.39 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted three equity comparables.

In written rebuttal, the appellant stated that board of review's comparable #1 is similar to the subject and stated that the subject's poor condition reduces the subject's market value. The appellant also submitted photographs of the subject's poor condition.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables #1, #2, and #3. These comparables were similar in size, location, construction and age. These similar comparables sold for prices ranging from \$119.49 to \$178.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$219.67 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified based on overvaluation. The Board also finds that the subject is now equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
