

**FINAL ADMINISTRATIVE DECISION

The parties of record before the Property Tax Appeal Board are FMM Properties, Inc., the appellant(s), by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
16-38293.001-C-1	29-31-408-006-0000	1,968	6,039	\$ 8,007

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building of masonry construction with 4,212 square feet of building area. The building is 59 years old. The property has a 6,750 square foot site, and is located in Homewood, Thornton Township, Cook County. The subject is classified as a class 5-22 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on October 4, 2013 for a price of \$107,500. The appellant's pleadings state that the total assessment for the subject is \$50,112. The subject's assessment reflects a market value of \$200,448, or \$47.59 per square

foot of building area, including land, when applying the 2016 statutory level of assessment for class 5 property of 25.00% under the Cook County Real Property Assessment Classification Ordinance. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$26,875.

The Board found the board of review to be in default, and, therefore, the board of review did not submit any evidence in support of the subject's current assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in October 2013 for a price of \$107,500. The appellant provided evidence demonstrating that the sale had the elements of an arm's-length transaction, including disclosing that the parties to the transaction were not related, the property was sold by the owner, and it was advertised for sale on the open market with a listing on the MLS. In further support of the transaction, the appellant submitted the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$107,500 as of January 1, 2016. Since market value has been established the 2016 statutory level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
