

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Sears
DOCKET NO.: 16-38385.001-R-1
PARCEL NO.: 13-16-112-032-0000

The parties of record before the Property Tax Appeal Board are Chris Sears, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,382
IMPR.: \$38,962
TOTAL: \$44,344

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,140 square foot parcel of land improved with a 92-year old, two-story, masonry, multi-family dwelling containing 4,548 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted five comparables. The properties are described as two or three-story, masonry or frame, multi-family dwellings. They range: in age from 65 to 107 years; in size from 4,254 to 4,688 square feet of building area; and in improvement assessment from \$7.41 to \$8.00 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$44,344 with an improvement assessment of \$38,962 or \$8.57 per square foot of building area.

In support of the assessment the board of review submitted four equity comparables. These properties are described as two-story, masonry, multi-family dwellings. They range: in age from 90 to 104 years; in size from 4,206 to 4,630 square feet of building area; and in improvement assessments from \$8.62 to \$8.77 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #5 and the board of review's comparables. These comparables had improvement assessments ranging from \$7.41 to \$8.77 per square foot of building area. The remaining comparables were given diminished weight due to differences in design or construction. The subject's improvement assessment of \$8.57 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
