

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kantipur Group LLC
DOCKET NO.: 16-38408.001-R-1
PARCEL NO.: 13-24-108-014-0000

The parties of record before the Property Tax Appeal Board are Kantipur Group LLC, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,250
IMPR.: \$18,000
TOTAL: \$24,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,125 square foot parcel of land improved with an 85-year old, two-story, masonry, mixed-use building containing 2,180 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted a copy of the trustee's deed. The appellant disclosed on the petition that the property sold on July 22, 2015 for \$245,000. The appellant submitted black and white photographs and an income and expense statement and asserted that the property was vacant for 2016 because it was being remodeled. The appellant then requested an incorrect level of assessment be applied to the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$24,250 which reflects a market value of \$242,500 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables. These properties are described as one or two-story, masonry, mixed-use buildings. They range in age from 54 to 109 years and in size from 1,722 to 2,400 square feet of building area. They sold from January 2014 to November 2015 for prices ranging from \$150.00 to \$209.44 per square foot of building area. The board of review listed the sale of the subject in June 2016 for \$245,000.

The board of review also submitted a supplemental brief arguing that the appellant used an incorrect and unsupported median level of assessment in its request for relief.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in July 2016 for a price of \$245,000. The appellant submitted evidence of the sale of the subject while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review listed the sale of the subject for \$245,000. Based on this record the Board finds the subject property had a market value of \$245,000 as of the lien date and that a reduction in the subject's assessment is justified. The Board find the appellant requested an incorrect and unsupported median level of assessment and gives no weight to this level of assessment. The Board further finds that the subject assessment is supported by the sale of the subject; therefore, the appellant failed to show by a preponderance of the evidence that the subject was overvalued.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
