

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JT Tenancy  
DOCKET NO.: 16-38449.001-R-1  
PARCEL NO.: 07-27-302-040-0000

The parties of record before the Property Tax Appeal Board are JT Tenancy, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$949
<b>IMPR.:</b>	\$50,546
<b>TOTAL:</b>	\$51,495

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2,233 square foot parcel of land improved with a 38-year old, three-story, masonry, multi-family dwellings containing 6,193 square feet of building area. The property is located in Schaumburg, Schaumburg Township, Cook County and is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three sales comparables. These properties are described as three-story, masonry, multi-family dwellings. They are 38-years old and contain 6,193 square feet of building area. These properties sold from April 2015 to January 2017 for prices ranging from \$64.59 to \$83.15 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$55,503. The total assessment reflects a market value of \$555,030 or \$89.62 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The board of review did not submit any evidence to support the assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The parties submitted a total of three comparables in support of the subject's market value. The Board finds the best comparables to be the appellant's comparables. They sold from April 2015 to January 2017 for prices ranging from \$64.59 to \$83.15 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$89.62 per square foot of building area which is above the purchase prices of the comparables in the record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
