

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Gebbia  
DOCKET NO.: 16-38520.001-R-1  
PARCEL NO.: 07-05-102-020-0000

The parties of record before the Property Tax Appeal Board are Joan Gebbia, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,143  
**IMPR.:** \$17,277  
**TOTAL:** \$21,420

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,451 square feet of living area. The dwelling is 48 years old. Features of the home include a partial basement, central air conditioning, and a two-car garage. The property has a 9,750 square foot site and is located in Schaumburg Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on two comparable sales. The sales occurred in 1987 and 2010. The appellant also submitted four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,420. The subject's assessment reflects a market value of \$214,200 or \$147.62 per square foot of living area, land included, when using the 2016 level of

assessment for Cook County of 10%. The subject has an improvement assessment of \$17,277, or \$11.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables and recent sale information for comparable #4 which sold in September 2014 for a price of \$230,000, or \$158.51 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant's comparable sales occurred too distant in time from the lien date in question to be reliable indicators of the subject's market value on January 1, 2016. In addition, the board of review only submitted one recent sale. As such, the Board finds the appellant has not met the burden of proving by a preponderance of the evidence that the subject is overvalued. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

The Board notes that the appellant submitted four equity comparables. taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparable properties. These properties had improvement assessments that ranged from \$12.85 to \$14.29 per square foot of living area. The subject's improvement assessment of \$11.91 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
