

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patrick Metcalf
DOCKET NO.: 16-38531.001-C-1
PARCEL NO.: 07-16-200-037-0000

The parties of record before the Property Tax Appeal Board are Patrick Metcalf, the appellant(s), by attorney Richard Shapiro, Attorney at Law in Evanston; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,752
IMPR.: \$47,498
TOTAL: \$86,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,479 square foot parcel of land improved with a 42-year old, two-story, commercial, office building containing 3,840 square feet of building area. The property is located in Hoffman Estates, Schaumburg Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted two appraisals. The appraisal undertaken by James A. Mathews, Inc. which estimated the subject had a market value as of the lien date in question, January 1, 2016, of \$345,000. The appraisal undertaken by Steven Terhesh Appraisals estimated a market value for the subject as of February 23, 2017 of \$154,000. The appellant requests an assessment of the average of two appraisals.

The subject's total assessment is \$129,600 which reflects a market value of \$518,400 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant for an estimated value as of the lien date in question. The subject's assessment reflects a market value above the best evidence of market value in the record. The appellant's appraiser utilized the three approaches to value in determining the subject's market value. The Board finds this appraisal to be persuasive because the appraiser personally inspected the subject property, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. Therefore, the Board finds the subject property had a market value of \$345,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
