

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Rosenbaum
DOCKET NO.: 16-38537.001-R-1
PARCEL NO.: 16-15-411-018-0000

The parties of record before the Property Tax Appeal Board are Richard Rosenbaum, the appellant(s), by attorney Adam E. Bossov, of the Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,281
IMPR.: \$15,126
TOTAL: \$18,407

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling of masonry construction. The dwelling is approximately 115 years old. It has a 3,125 square foot site and is located in West Chicago Township, Cook County. It is classified as Class 2-11 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$78,000 as of July 8, 2016. The appraisal indicates that the subject property is occupied by a tenant.

The appraisal utilized the three standard approaches to value, that is the cost approach, the income approach and the sales comparison approach. The information pertinent to the sales comparison approach identifying the comparables was omitted due to careless photocopying.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,407. The subject's assessment reflects a market value of \$184,070 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sale comparables, all of which reflected equity data.

Conclusion of Law

The appellants contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Initially, the Board finds the appraiser's estimate of market value to be unreliable as the pages identifying the sale comparables were carelessly photocopied. The Board finds the best evidence of market value to be the sale comparables #1, #3 and #4 submitted by the board of review. The subject's assessment reflects a market value within the best evidence of market value in the record. Accordingly, an assessment reduction based on the market data submitted is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
