

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Kogan
DOCKET NO.: 16-38830.001-R-1
PARCEL NO.: 10-15-304-038-0000

The parties of record before the Property Tax Appeal Board are Michael Kogan, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,348
IMPR.: \$41,524
TOTAL: \$48,872

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 3,060 square feet of living area. The dwelling is 52 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 10,136 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property. The comparables are class 2-78 dwellings of masonry or frame and masonry exterior construction containing from 3,042 to 3,490 square feet of living area. The dwellings range in age from 54 to

61 years old. The comparables feature partial basements with finished areas, central air conditioning, and a 1.5-car or a 2-car garage. Two comparables have one or two fireplaces. The comparables have improvement assessments ranging from \$40,954 to \$46,985 or either \$13.46 or \$13.79 per square foot of living area.

Based on this evidence the appellant requested the subject's improvement assessment be reduced to \$41,524 or \$13.57 per square foot of living area.

The appellant's submission revealed that the subject has an improvement assessment of \$45,900, which equates to \$15.00 per square foot of living area.

The board of review did not timely submit any evidence in support of the assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)).

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the appellant's comparables. These comparables have improvement assessments of either \$13.46 or \$13.79 per square foot of living area. The subject's improvement assessment of \$15.00 per square foot of living area is above the assessments established by the only comparables in this record on a per-square-foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is not supported. The Board further finds the board of review did not submit any evidence in support of its assessment of the subject property or to refute the evidence submitted by the appellant as required by Section 1910.40(a) of the rules of the Property Tax Appeal Board and is in default pursuant to Section 1910.69(a) of the rules of the Board. (86 Ill.Admin.Code §1910.40(a); 1910.69(a)). Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
