

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Narragansett Building 60634, LLC  
DOCKET NO.: 16-39016.001-R-1  
PARCEL NO.: 13-19-203-033-0000

The parties of record before the Property Tax Appeal Board are Narragansett Building 60634, LLC, the appellant(s), by attorney Spiro Zarkos, of Verros Berkshire, PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,980  
**IMPR.:** \$46,469  
**TOTAL:** \$52,449

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 5,437 square foot parcel of land improved with a 29-year old, three-story, masonry, multi-family dwelling containing 6,543 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted four comparables. These properties are described as two, three or four-story, masonry, multi-family dwellings located within 12.9 miles of the subject. They range in age from 57 to 102 years and in size from 4,950 to 6,000 square feet of building area. They sold from October 2013 to January 2016 for prices ranging from \$51.67 to \$65.66 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$56,518. This assessment reflects a market value of \$565,180 or \$86.78 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted four equity comparables. The board of review also included a sale for the subject in December 2016 for \$80.16 per square foot of building area with no further information.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of assessment market value to be the appellant's comparables. These comparables sold for prices ranging from \$51.67 to \$65.66 per square foot of building area. However, the Board finds these comparables are not located in close proximity to the subject and that three properties are located outside Chicago, the subject's city. Therefore, the Board also gives weight to the sale of the subject in December 2016 for \$80.16 per square foot of building area. The subject's assessment reflects a market value of \$86.78 per square foot of building area which is above the range of the comparables and the sale of the subject. Based on this record the Board finds the appellant did show by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
