

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott & Victoria Kaplan  
DOCKET NO.: 16-39176.001-R-1  
PARCEL NO.: 14-32-133-025-0000

The parties of record before the Property Tax Appeal Board are Scott & Victoria Kaplan, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 43,866  
**IMPR.:** \$ 133,134  
**TOTAL:** \$ 177,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction with 3,958 square feet of living area. The dwelling is 26 years old. Features of the home include a partial basement with a formal recreation room, central air conditioning, three fireplaces, and a two-car garage. The property has a 4,874 square foot site, and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$176,894.

The board of review submitted its “Board of Review Notes on Appeal” disclosing the total assessment for the subject of \$236,700. The subject property has an improvement assessment of \$192,834, or \$48.72 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables, and one sale comparable.

In rebuttal, the appellant argued that the subject property was the subject matter of an appeal before the Board in 2015 under docket number 15-35680. In that appeal, the Board rendered a decision lowering the subject’s assessment to \$177,000. The appellant requests that the subject’s assessment for tax year 2015 be carried forward to tax year 2016 based on section 16-185 of the Property Tax Code.

### **Conclusion of Law**

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm’s length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board’s assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, “Standard of proof. Unless otherwise provided by law or stated in the agency’s rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.” 5 ILCS 100/10-15. The Board takes judicial notice that it rendered a decision lowering the subject assessment for tax year 2015, and that 2015 and 2016 are in the same general assessment period for North Chicago Township. The Board further finds that the subject is owner occupied based on the evidence submitted by the parties. The record contains no evidence indicating that the subject sold in an arm’s-length transaction subsequent to the Board’s 2015 decision, or that the Board’s 2015 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject’s assessment should be reduced, pursuant to section 16-185 of the Property Tax Code, to reflect the Board’s 2015 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
