

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Park Row at Burnham Place Townhome Ass.
DOCKET NO.: 16-40725.001-R-1 through 16-40725.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Park Row at Burnham Place Townhome Ass., the appellant(s), by attorney Steven J. Field, of Field and Goldberg, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
16-40725.001-R-1	17-22-109-131-0000	17,020	79,237	\$ 96,257
16-40725.002-R-1	17-22-109-150-0000	16,882	59,270	\$ 76,152

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two townhomes. Townhome #1 consists of a three-story dwelling of masonry construction with 3,040 square feet of living area. Townhome #1 is 22 years old. Features of the Townhome #1 include a slab, central air conditioning, two fireplaces, and a two-car garage. Townhome #2 consists of a three-story dwelling of masonry construction with 2,620 square feet of living area. Townhome #2 is 22 years old. Features of the Townhome #2 include a slab, central air conditioning, two fireplaces, and a two-car garage. Both townhomes are located in Chicago, South Chicago Township, Cook County, and are classified as class 2-95 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject units are owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on 12 sale comparables. These comparables sold between May

2013 and September 2016 for \$535,000 to \$1,040,000, or \$254.87 to \$342.11 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$153,162.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,409. Townhome #1's assessment is \$96,257, which reflects a market value of \$962,570, or \$316.63 per square foot of living area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. Townhome #2's assessment is \$76,152, which reflects a market value of \$761,520, or \$290.66 per square foot of living area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These comparables sold between March 2015 and September 2016 for \$1,010,000 to \$1,250,000, or \$332.24 to \$401.16 per square foot of living area, including land.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight in the Board's analysis.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables #1 and #12, and board of review comparables #1, #2, #3, and #4. These comparables sold for prices ranging from \$332.24 to \$401.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$316.63 (Townhome #1) and \$290.66 (Townhome #2) per square foot of living area, including land, which is below the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
