

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Basel Tarabein
DOCKET NO.: 16-40914.001-R-1
PARCEL NO.: 06-36-101-027-0000

The parties of record before the Property Tax Appeal Board are Basel Tarabein, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,357
IMPR.: \$16,164
TOTAL: \$19,521

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 20-year old, two-story, frame, single-family dwelling. Features of the townhome include: 2,169 square feet of living area, a partial basement, air conditioning and a two-car garage. The property has a 11,190 square foot site and is located in Hanover Township, Cook County. The subject is classified as a class 2-95, residential townhouse property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales. They are improved with a frame or frame and masonry, single-family dwelling. The improvements range in size from 660 to 1,215 square feet of living area and in assessment from \$10.80 to \$14.48 per square

foot. They sold from October, 2015 through October, 2016 for unadjusted prices that ranged from \$69.96 to \$84.49 per square foot of living area.

Further, the appellant submitted copies of the sales' deeds and/or website printouts from the Cook County Recorder of Deeds office relating to each sales' details. Based upon this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,352. The subject's assessment reflects a market value of \$223,520 or \$103.05 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The subject's improvement assessment is \$8.76 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, but two with sales data. All of which are located within a two-block radius of the subject. They are improved with a two-story, single-family dwelling of frame exterior construction. The improvements ranged in age from 20 to 22 years and in size from 1,876 to 2,206 square feet of living area. The two comparables sold from June through September, 2013 for unadjusted prices that ranged from \$73.44 to \$90.62 per square foot of living area. Amenities include: a full basement, air conditioning, and either a two-car or two and one-half car garage.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be *the appellant's comparable #3 as well as the board of review's comparables #1 and #3*. These comparables sold for unadjusted prices ranging from \$69.96 to \$90.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$103.05 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after making adjustments to the sales for pertinent factors, the Board finds a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
